Hello,

Attached is the August 2009 (semi-annual) Hazardous Sites List. This is a special edition of the Site Register. It is Ecology's list of high-priority sites. If you have any questions about a specific site, please direct them to the contact person listed at the beginning of each section.

Jean Rakestraw is the author of the Hazardous Sites List. Her contact information is below.

As usual, if you have any comments, questions, would like your name taken off the mailing list, etc., please let me know.

Thanks,

Linda Thompson
